Instrumenti debut album True Live 2011,
DVD PAL Format, mostly in English, 15 songs
+ Documentary Tru: Relived, LV, #7047, \$26

Instrumenti was formed by two academically educated musicians and their sound is a mix of indie-pop and experimental electro. Šipši (vocals/keyboards) has one of the most impressive falsettos today's music has to offer while Reynsi (drums/ keyboards/vocals) has a genuine talent of creating incredibly rich and warm sound backed up with beautiful harmonies.

SILVER JEWELRY

Ancient knowledge tells us that these symbols hold great power and reflect the deep connection Latvians have with nature and their pagan deities. Whether you believe the ancient wisdom or not, you must agree that there is something incredibly beautiful in these classic motifs.

Woody Ruties - a homely wooden ornament - fits in the palm of your hand, adapting easily to the lives of people with beautiful hearts.

Woody Ruties enjoy:

- * swaying in a window
- * hanging under a lamp
- * decorating walls, doors and cabinets
- * playing hide-and-seek inside a bouquet or on the Christmas tree.

Most of all they delight to serve as silent messengers - any time and any place. Just attach a Woody Ruties to a cheerful note and hang it on the door of your neighbor or loved one.
