2026—2027

Greetings from BalticShop!

Christmas is a time when things with a story, those tied to a tradition, or having an authentic origin take on special meaning. In our catalog this year, we have brought together both beloved favorites and new finds from Estonia, Latvia, and Lithuania - traditional crafts, Baltic-inspired jewelry and souvenirs, sweets and other treats, as well as contemporary décor, clothing, and gifts.
The items have roots in Baltic traditions, while also reflecting the creativity of today's Baltic artists and makers. From familiar symbols and folk designs to modern interpretations, each offers a glimpse into the culture and character of Lithuania, Estonia, and Latvia.
May this catalog inspire you to find special gifts for family and friends, treat yourself, bring joy to those close to you, and bring a little piece of the Baltics into your holiday celebrations.

Wishing you a joyful and heartfelt Christmas!
The Balticshop Team
